2. Mr. J.D. Kale has been recommended by the B.P.S.C. for tempy. appointment in the B.S.E. (II) and he has been posted to Grid Deptt. under orders issued in G.L.No. 9859/36-VI-E(I), dated the 6-10-49. Mr. Kale is at present a Project overseer in the Dharwar Dn. which is his native place. For the reasons stated by him he requested Govt. to cancel his transfer and to post him to the Southern Circle.

3. The E.E., D.Dn., suggested that Mr. Kale may be retained in that Dn. even by sparing one of the other overseers recently selected together with him. The S.E., S.C., states that there is, at present, no vacancy in his circle but he suggests that Mr. Kale may be posted to the Karnatak I.C. or the Eastern Circle.

4. It may be stated that the reasons put forth by Mr Mr. Kale, such as father's old age, family responsibilities, education of brethren, etc. are the ordinary difficulties generally attending the posting of an Officer outside his native place. Moreover, it may perhaps form an awkward precedent if postings and transfers are influenced by such difficulties which are more or less of a private and personal nature. It is for orders whether Mr. Kale may be informed that his request for cancelling the orders reg. his posting to Elec. Grid cannot be granted. Necy. draft will be put up after orders are given.

I agree; orders already issued may stand.

I do not see any harm if he is prefer to Karnatic Irregation Circle. Posted

Mr. Kale can accept the promotion or forego it and remain in his present post.

His posting as Deputy Engineer in K.I.C. would create the problems of (a) finding a post for him. (b) finding a substitute for the post on the Electrical Grid. We could not obviously afford to create these problems and spend time in solving people's private difficulties.
